Mug Shots & Martinis
5 p.m.-7 p.m. Wed. August 16
Saucon Valley Country Club
2050 Saucon Valley Rd, Bethlehem, PA 18015

As a service to our members, CREW Lehigh Valley has arranged for professional head shots to be taken on the South Terrace of Saucon Valley Country Club. Noted photographer Alyssa Eve Csuk will shoot portraits of members during a relaxed and fun reception. Appetizers and valet parking are included in the \$28 registration fee; a cash bar will be available. You'll receive an emailed jpeg of your head shot after the event. Take advantage of this cost-effective way to update your image. **Friendly reminder: please do not wear denim to the country club.**

The Community Service Committee asks your help to donate items that women typically carry in their handbags to fill purses to benefit clients of Safe Harbor. Hand lotion, sanitary supplies, combs, wallets, sunglasses, tissue cases, lip gloss, note pads and pens would all be appreciated. Just take a look in your purse for inspiration. Handbags have already been donated.
